Important Notice: Window Care Instructions

Cleaning of 3M Daylight Redirecting Film is not required or recommended as it may leave residue within the film microstructure. Any haze, residue, or discoloring on the film caused due to cleaning after the installation is not covered under this warranty. In addition, to maintain your warranty, do not use tape or other adhesive products on the film.

Important Notice: Temporary Appearance:

After installation, there may be a hazy appearance on your windows. This condition is temporary and is caused by the moisture that is present when applying the film. This hazy appearance will disappear after the film dries which may take up to thirty (30) days for the film to completely dry. Cold weather conditions may require additional time.
